What you'll be doing

1. Provide compassionate, high-quality medical care to patients of all ages
2. Conduct physical examinations, order and interpret diagnostic tests, and develop treatment plans
3. Manage chronic diseases and coordinate ongoing patient care
4. Maintain thorough and accurate patient records
5. Collaborate with other healthcare professionals to ensure coordinated, patient-centered care

What we're looking for

1. Medical degree and current registration as a General Practitioner with the Australian Health Practitioner Regulation Agency (AHPRA) General registration or vocationally registered
2. Minimum 1 years' post-graduate experience in an Australian general practice setting
3. Demonstrated ability to provide comprehensive, high-quality primary care to patients of all ages

What we offer

We are committed to supporting the health and wellbeing of our employees. We offer a range of benefits, including:

1. Remuneration of up to 65% receipts
2. Autonomy over clinical practice and billings
3. Opportunities for professional development and career advancement including training in Dermatoscopy and Minor surgery
4. Access to a supportive and collaborative team environment
5. Ongoing training and development opportunities
